

16 June 2017

To **Software Carpentry Steering Committee**

Dear Steering Committee Members

I am stepping down from the Steering Committee effective 16 June, 2017, as I will be taking up the post of Community Development Lead for Software and Data Carpentry. Working as a staff member makes me ineligible for Steering Community service under the by-laws.

I have really enjoyed serving on the Committee for the one and a half terms I have done so, and I wish you all the best for the balance of your term.

I hope I can support the Committee in its endeavours in my new role and I look forward to working with you all from now on in.

Best wishes to you all

Belinda Weaver
